

Update your links!

The Materials and Research website has been updated (2/2018) so you probably need to update your links to the main page <http://www.scdot.org/business/materials-research.aspx> and any other frequently used pages such as:

QAST

<http://www.scdot.org/business/pdf/materials-research/QAST.pdf>

QPL

<http://info2.scdot.org/Materials/Pages/QualifiedProd.aspx>

Material Cert Requirements

<http://www.scdot.org/business/pdf/materials-research/MaterialCertificationRequirements.pdf>

You'll also find the new links for PMLs, Asphalt Mix Selection Guide, Research, and Technician Certification.

Remember to always go to the website to ensure you are using the most current version of the documents.
