Notes: (1) All trade names are registered trademarks of the appropriate company. (2) This qualified product list is for general product qualification and does not guarantee performance of a particular shipment. (3) All pre-qualified sources (manufactures) must continue to comply with the policy for Portland Cement Inspections. The delivery of cement used in SCDOT projects must be accompanied with a delivery ticket and certification stating the cement is guaranteed to meet SCDOT specifications. The following source(s) are qualified for use in cement modified base/sub-base (Section 301), RC pipes (QPP 69 and SC-M-714), and pre-cast concrete.
