

**SCDOT's Public Notification of a New Bridge  
Along I-85/I-385 over Rocky Creek**

The South Carolina Department of Transportation (SCDOT) is providing public notification of a bridge project in Greenville County being developed by the Department's Design Build Group. The replaced bridge will be reflected in the Statewide Transportation Improvement Program (STIP).

This design build project is for improvements to the Interstate 85/Interstate 385 System Interchange. It involves replacing an existing culvert with a new bridge over Rocky Creek. The estimated funding cost is \$1,200,000 for the preliminary engineering in Fiscal Year (FY) 2019 and \$44,000,000 for construction in (FY) 2019.

A summary of any substantive comments will be made available to the Commission prior to including the project in a future revision of the STIP.

A copy of this press release (along with a location map) is available for public review and comment until **January 3, 2019** online at these links:
