The South Carolina Department of Transportation (SCDOT) requests comments from the public on the addition of the construction phase of work for the US 321 Bridge Replacement over Crane Creek in Richland County. The Transportation Commission approved, during its March 18, 2021, meeting a public comment period to include construction for the proposed Bridge Replacement.

The public has the opportunity to comment on the action to amend the 2017- 2022 Statewide Transportation Improvement Program (STIP) to add the construction phase in the amount of \$5,093,120 in FY 2021. SCDOT will receive public comment for a 21-day period from **March 23, 2021** through **April 13, 2021**.

The project includes replacing the existing structure, realigning and improving the roadway approaches to meet current design criteria. Pending consideration of public comments, the addition will be recommended for inclusion in a future version of the STIP.
