**PUBLIC INFORMATION MEETING**

**Meeting:**

The South Carolina Department of Transportation (SCDOT) has scheduled a Public Information Meeting. This meeting will be held on Thursday, September 1, 2022, from 5PM to 7PM at the Myrtle Beach Train Depot located at 851 Broadway Street, Myrtle Beach, SC 29577. This meeting will have a drop-in style format with displays for viewing and citizens will have the opportunity to provide written comments. Formal, verbal comments will not be taken during this meeting. Project information, including meeting material, will also be available on the project website located at <https://scdotgis.online/US501atCannonRdand3rdAve> (Link is not Explorer compatible) or by accessing SCDOT's website: (<http://www.scdot.org>, Public Involvement Portal, Projects Under Development).

The purpose of this meeting is to provide an opportunity to review and discuss the proposed project with representatives from SCDOT. The project will implement a reduced conflict intersection at US 501 with S-905 (Cannon Road) to reduce the total number, as well as the overall severity of vehicle conflict points. As part of this project, the nearby US 501 intersection with 3<sup>rd</sup> Avenue South will be realigned to provide additional storage for new U-turn traffic from Cannon Road. Personnel from SCDOT will be available to answer questions and discuss the project with interested citizens on an individual basis.
