

South Carolina Department of Transportation

Hurricane Florence Operations Report

4:00 PM

September 18, 2018

SCDOT Operations Mode: Response

SEOC Operations Mode: OPCON1

Statewide Summary – SCDOT is actively responding to widespread flooding across the Northeast portion of the state. I-95 Northbound remains closed due to flooding between mile marker 181 and 190. There are widespread road closures due to flooding on primary and secondary routes throughout the Pee Dee.

Flooding will continue as upstream waters arrive in Districts 4 and 5. District 5 is engaged in flood mitigation activities on US 501 by installing barriers in flood prone areas in anticipation of rising waters. District 5 has completed the flood mitigation barrier on US 378.

15 assistance crews have deployed to assist with recovery efforts in the affected areas. SCDOT continues daily communication and coordination with other emergency service providers.

In areas affected by flooding and downed trees, motorists are urged to obey all road closures. Never move or drive around barricades. Power outages are still affecting some regions of the state with many downed power lines across roads. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!

879	Maintenance Employees Working in Response to Hurricane Florence
480	Vehicles & Heavy Equipment Working in Response to Hurricane Florence
204	Closures Due to Hurricane Florence (See attached report)

SCDOT Headquarters – Additional traffic control assets have been routed to the Pee Dee in order to assist with closure and detour operations. Three fuel tankers have been staged to assist in maintaining fuel inventories across the affected area. Debris contractors are standing by to assist with potential flood related debris removal operations. Appropriate emergency service teams are active in the Emergency Management Division's State Emergency Operations Center (SEOC).

(855-467-2368)

www.scdot.org

Traffic Conditions – I-95 Northbound remains closed due to flooding between mile marker 181 and 190. There are multiple closures on primary and secondary routes throughout the affected areas. Check for the most up to date traffic information through the SC DOT 511 mobile app.

District Activities – Maintenance crews in affected areas are actively responding to storm impacts. See individual districts below for specific activities.

District 1 Summary – District 1 has deployed 6 assistance crews to District 5 in support of ongoing response operations. All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 2 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 3 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 4 Summary – District 4 has deployed 7 assistance crews to District 5. Chesterfield will continue daylight shift operations until floodwaters recede. Crews are supporting flood response operations in Chesterfield County. Seven additional crews from across District 4 are deployed to assist Chesterfield.

District 5 Summary – Crews are reacting to rising water levels in the rivers and streams across the district. All local and assistance crews are assisting with road closures, detour signing, and flood mitigation efforts on US 501. 24 hour operations will continue throughout the duration of the flood. Construction, Signal Shop, and Bridge Inspection personnel are performing damage assessments and assisting with repairs as necessary.

District 6 Summary – District 6 is assisting with the delivery of additional traffic control assets to District 5 and has deployed 2 assistance crews to District 5 in support of ongoing response operations. All counties are on a normal operating schedule. Crews are prepared to assist other areas as needed.

District 7 Summary – District 7 is assisting with the delivery of additional traffic control assets to District 5. All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

Other Modes of Transportation – All airports are open and operational. The Charleston and Georgetown ports are open. The inland port in Greer is open. The inland port in Dillon is open, but without rail operations. Currently Amtrak has no service operating in SC.

Transit Status

Waccamaw / Coast RTA – service suspended with the exception of ADA Paratransit to medical appointments. Currently mobilizing / staging for possible evacuations.

PDRTA – Regular service resumed. Commuter services to Myrtle Beach and Dillon remain suspended. Have coordinated with Coast RTA and are on standby for requested assistance with evacuation.

Williamsburg County Transit – All regular services suspended. Performing limited emergency and evacuation services.

***Transit agencies not listed are currently operating normally.**

Customer Service - The SCDOT Customer Service Center (CSC) will be open 24 hours throughout this event.

- Since moving to 24 hour operations, the CSC has answered 13,202 calls related to Hurricane Florence.
- Callers continue to get a live agent within 60 seconds or less.

Motorists are encouraged to use SCDOT's 511 mobile app or to call 511 for current travel conditions.
