

South Carolina Department of Transportation

Hurricane Florence Operations Report

4:00 PM

September 20, 2018

SCDOT Operations Mode: Response

SEOC Operations Mode: OPCON1

Statewide Summary – SCDOT is actively responding to widespread flooding across the Northeast portion of the state. I-95 has been closed in both directions from Exit 164 (US 52) to Exit 181 (SC 38) due to the imminent threat of flooding at the Great Pee Dee River. There are widespread road closures due to flooding on primary and secondary routes throughout the Pee Dee.

Flooding continues as upstream waters arrive in Districts 4 and 5. District 5 continues their efforts with flood mitigation activities. District 4 has begun to focus on repairs in the western side of Chesterfield County where flood waters have begun to recede.

15 assistance crews are deployed to assist with recovery efforts in the affected areas. SCDOT continues daily communication and coordination with other emergency service providers.

In areas affected by flooding and downed trees, motorists are urged to obey all road closures. Never move or drive around barricades. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!

846	Maintenance Employees Working in Response to Hurricane Florence
445	Vehicles & Heavy Equipment Working in Response to Hurricane Florence
189	Closures Due to Hurricane Florence (See attached report)

SCDOT Headquarters – Additional traffic control assets have been routed to Georgetown to assist in road closure and detour operations. Hydrovac trucks are deployed to US 501 and US 378 and are staged to assist in the flood mitigation efforts at these locations. Three mobile fuel tankers remain actively deployed. Debris contractors are standing by to assist with potential flood related debris removal operations. Appropriate emergency service teams are active in the Emergency Management Division's State Emergency Operations Center (SEOC).

www.scdot.org

Traffic Conditions – On September 19, 2018, I-95 was closed in both directions for the bridges crossing the Great Pee Dee River located at mile marker 175. This closure was due to increasing inundation at this location. I-95 northbound traffic is being detoured to westbound I-20, exit 160. I-95 southbound traffic near Dillon is being detoured to SC-38, exit 181. There are multiple closures on primary and secondary routes throughout the affected areas. Check for the most up to date traffic information through the SC DOT 511 mobile app.

District Activities – Maintenance crews in affected areas are actively responding to storm impacts. See individual districts below for specific activities.

District 1 Summary – District 1 has deployed 6 two-man assistance crews to District 5 in support of ongoing road closure and detour operations. District 1 is preparing to deploy one additional assistance crew to Chesterfield to assist with repair efforts. District 1 has deployed additional traffic control assets to D5. All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 2 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 3 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 4 Summary – All 7 District 4 assistance crews that were deployed to District 5 are scheduled to return to their home County after today's operations. Chesterfield will continue daylight shift operations until floodwaters recede. Seven additional crews from across District 4 are deployed to assist Chesterfield.

District 5 Summary – Crews are reacting to rising water levels in the rivers and streams across the district. All local and assistance crews are assisting with road closures, detour signing, and flood mitigation efforts. 24 hour operations will continue throughout the duration of the flood. Construction, Signal Shop, and Bridge Inspection personnel are performing damage assessments and assisting with repairs as necessary.

District 6 Summary – District 6 has deployed 2 assistance crews to District 5 in support of ongoing response operations. All counties are on a normal operating schedule. Crews are prepared to assist other areas as needed.

District 7 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

Other Modes of Transportation – All airports are open and operational. The Charleston and Georgetown ports are open. The inland port in Greer is open. The inland port in Dillon is open, regular service has resumed with the exception of the southbound rail service from Dillon to Charleston (exports). Amtrak service through Spartanburg, Greenville and Clemson are now operating. All other Amtrak services remain suspended.

Transit Status

Waccamaw / Coast RTA – Limited operations have resumed today (9/20) away from rising waters and significant closures. Currently maintaining a support role while assisting Horry County EMD.

PDRTA – Commuter bus services between Marion County and Myrtle Beach remain suspended. All other commuter bus service has resumed today (9/20) through alternate routes. Normal operations continue in Florence. Coordination efforts have been made with Coast RTA and PDRTA remains on standby to assist in Horry County.

***Transit agencies not listed are currently operating normally.**

Customer Service - The SCDOT Customer Service Center (CSC) will be open 24 hours throughout this event.

- Since moving to 24 hour operations, the CSC has answered 20,932 calls related to Hurricane Florence.
- Callers continue to get a live agent within 60 seconds or less.

Motorists are encouraged to use SCDOT's 511 mobile app or to call 511 for current travel conditions.
