

South Carolina Department of Transportation

Hurricane Florence Operations Report

4:00 PM

September 21, 2018

**SCDOT Operations Mode: Response &
Recovery**

SEOC Operations Mode: OPCON1

Statewide Summary – SCDOT is actively responding to widespread flooding across the Northeast portion of the state. Previously closed locations of I-95 in South Carolina over the Great Pee Dee River will be reopened in both directions. However, I-95 in North Carolina remains closed across the state line at exit 13 due to flooding. There are widespread road closures due to flooding on primary and secondary routes throughout the Pee Dee.

Flooding continues as upstream waters arrive in District 5. In addition to the efforts on US 501 and US 378, District 5 has initiated flood mitigation efforts in Georgetown on US 17 due to the imminent threat of flooding in this location. District 4 is focusing on repairs in Chesterfield County where flood waters have begun to recede.

13 assistance crews are deployed to assist with recovery efforts in the affected areas. SCDOT continues daily communication and coordination with other emergency service providers.

In areas affected by flooding and downed trees, motorists are urged to obey all road closures. Never move or drive around barricades. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!

823	Maintenance Employees Working in Response to Hurricane Florence
443	Vehicles & Heavy Equipment Working in Response to Hurricane Florence
169	Closures Due to Hurricane Florence (See attached report)

SCDOT Headquarters – Additional traffic control assets have been routed to Williamsburg to assist in road closure and detour operations. Debris contractors are standing by to assist with potential flood related debris removal operations. Appropriate emergency service teams are active in the Emergency Management Division's State Emergency Operations Center (SEOC).

www.scdot.org

Traffic Conditions – At 4 pm on September 21, 2018, I-95 will be reopened to traffic in both directions in South Carolina. It was previously closed in the northbound direction at I-20, exit 160 and in the southbound direction at SC-38, exit 181 due to inundation at the Great Pee Dee River located at mile marker 175. I-95 in North Carolina remains closed at exit 13 due to flooding. There are multiple closures on primary and secondary routes throughout the affected areas.

Check for the most up to date traffic information through the SC DOT 511 mobile app.

District Activities – Maintenance crews in affected areas are actively responding to storm impacts. See individual districts below for specific activities.

District 1 Summary – District 1 has deployed 6 two-man assistance crews to District 5 in support of ongoing road closure and detour operations. District 1 has also deployed one assistance crew to Chesterfield to assist with repair efforts. All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 2 Summary – District 2 has deployed 4 assistance crews to District 5 to assist with repair efforts. All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 3 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 4 Summary – District 4 has begun to focus on repairs in Chesterfield County where flood waters have begun to recede. Chesterfield will continue daylight shift operations until floodwaters recede. Seven additional crews from across District 4 are deployed to assist with repairs in Chesterfield.

District 5 Summary – District 5 has initiated flood mitigation efforts in Georgetown on US 17 due to the imminent threat of flooding in this location. All local and assistance crews are assisting with road closures, detour signing, and flood mitigation efforts. Construction, Signal Shop, and Bridge Inspection personnel are performing damage assessments and assisting with repairs as necessary.

District 6 Summary – District 6 has deployed 2 assistance crews to District 5 in support of ongoing response operations. All counties are on a normal operating schedule. Crews are prepared to assist other areas as needed.

District 7 Summary – District 7 has deployed additional traffic control assets to Williamsburg County in support of ongoing road closure and detour operations. All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

Other Modes of Transportation – All airports are open and operational. The Charleston and Georgetown ports are open. The inland port in Greer is open. The inland port in Dillon is open, regular service has resumed with the exception of the southbound rail service from Dillon to Charleston (exports). Amtrak service through Spartanburg, Greenville and Clemson are now operating. All other Amtrak services remain suspended.

Transit Status

Waccamaw / Coast RTA – Limited operations have resumed away from rising waters and significant closures. Currently maintaining a support role while assisting Horry County EMD.

PDRTA – Commuter bus services between Marion County and Myrtle Beach remain suspended. All other commuter bus service has resumed through alternate routes. Normal operations continue in Florence. Coordination efforts have been made with Coast RTA and PDRTA remains on standby to assist in Horry County.

***Transit agencies not listed are currently operating normally.**

Customer Service - The SCDOT Customer Service Center (CSC) will be open 24 hours throughout this event.

- Since moving to 24 hour operations, the CSC has answered 26,113 calls related to Hurricane Florence.
- Callers continue to get a live agent within 30 seconds or less.

Motorists are encouraged to use SCDOT's 511 mobile app or to call 511 for current travel conditions. Since moving to 24 hour operations for Hurricane Florence, 511 has received 29,965 calls, 437,005 website visits, and 190,282 mobile app sessions.
