Hurricane Florence Operations Report

4:00 PM

September 24, 2018

**SCDOT Operations Mode: Response &
Recovery**

SEOC Operations Mode: OPCON1

Statewide Summary – SCDOT is actively responding to widespread flooding across the Northeast portion of the state. There are widespread road closures due to flooding on primary and secondary routes throughout the Pee Dee. I-95 is now open to traffic in both directions throughout South Carolina and North Carolina.

Flooding continues as upstream waters travel through District 5. One lane is open in both directions on US 501 Bypass in Conway. Flood mitigation efforts continue in Georgetown on US 17 due to the imminent threat of flooding. Crews have begun to make repairs to damaged roadways where flood waters have receded.

13 assistance crews are deployed to assist with recovery efforts in the affected areas. SCDOT continues daily communication and coordination with other emergency service providers.

In areas affected by flooding and downed trees, motorists are urged to obey all road closures. Never move or drive around barricades. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!

Traffic Conditions – At 10 pm on September 23, 2018, I-95 was reopened to traffic in both directions in North Carolina. I-95 in South Carolina was reopened to traffic in both directions on September 21, 2018. If traveling into North Carolina, it is recommended to contact the Call Center for NCDOT to receive the most accurate road closures, (877) 511- 4662.

There are multiple closures of primary and secondary routes throughout affected areas in South Carolina.

District Activities – Maintenance crews in affected areas are actively responding to storm impacts. See individual districts below for specific activities.

District 1 Summary – District 1 has deployed 6 two-man assistance crews to District 5 in support of ongoing road closure and detour operations. District 1 has also deployed one assistance crew to Chesterfield to assist with repair efforts. All counties in District 1 have returned to normal operations. Crews are prepared to assist other areas as needed.

District 2 Summary – District 2 has deployed 4 assistance crews to District 5 to assist with repair efforts. All District 2 counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 3 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 4 Summary – District 4 continues to focus on repairs in Chesterfield County where flood waters have receded. Chesterfield will continue daylight shift operations until infrastructure repairs are complete. Two additional crews from across District 4 are deployed to assist with repairs in Chesterfield.

District 5 Summary – District 5 continues flood mitigation efforts in Georgetown on US 17 due to the imminent threat of flooding. All local and assistance crews are assisting with road closures, detour signing, and flood mitigation efforts. Crews have begun to make repairs to damaged roadways where flood waters have receded. Construction, Signal Shop, and Bridge Inspection personnel are performing damage assessments and assisting with repairs as necessary.

District 6 Summary – District 6 has deployed 2 assistance crews to District 5 in support of ongoing response operations. All counties are on a normal operating schedule. Crews are prepared to assist other areas as needed.

District 7 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

Other Modes of Transportation – All airports are open and operational. The Charleston and Georgetown ports are open. The inland port in Greer is open. The inland port in Dillon is open, regular service has resumed with the exception of the southbound rail service from Dillon to Charleston (exports). Amtrak service through Spartanburg, Greenville, and Clemson are now operating. All other Amtrak services remain suspended.
