

South Carolina Department of Transportation

Hurricane Florence Operations Report

4:00 PM

September 26, 2018

**SCDOT Operations Mode: Response &
Recovery**

SEOC Operations Mode: OPCON1

Statewide Summary – SCDOT is actively responding to widespread flooding across the Northeast portion of the state. There are widespread road closures due to flooding on primary and secondary routes throughout the Pee Dee. In areas where flood waters have receded, crews have begun to make repairs to damaged roadways.

Flooding continues as upstream waters travel through District 5. The completed flood barrier on US 501 Bypass in Conway has allowed one lane to remain open in both directions. Flood mitigation efforts continue in Georgetown on US 17 as well as US 521 due to the imminent threat of flooding.

11 assistance crews are deployed to assist with recovery efforts in the affected areas. SCDOT continues daily communication and coordination with other emergency service providers.

In areas affected by flooding and downed trees, motorists are urged to obey all road closures. Never move or drive around barricades. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!

616	Maintenance Employees Working in Response to Hurricane Florence
319	Vehicles & Heavy Equipment Working in Response to Hurricane Florence
149	Closures Due to Hurricane Florence (See attached report)

SCDOT Headquarters – Debris contractors are standing by to assist with flood related debris removal operations. Appropriate emergency service teams are active in the Emergency Management Division's State Emergency Operations Center (SEOC).

**855-GO-SCDOT
(855-467-2368)**

www.scdot.org

Traffic Conditions – I-95 continues to remain open in both directions in both South Carolina and North Carolina. If traveling into North Carolina it is recommended to contact the Call Center for NCDOT to receive the most accurate road closures, (877) 511- 4662.

There are multiple closures of primary and secondary routes throughout affected areas in South Carolina as roads are inundated. State Highway Emergency Program (SHEP) Incident Responders have been deployed to US-501/US-378 in Conway and US-17 in Georgetown to assist with incident response as needed.

District Activities – Maintenance crews in affected areas are actively responding to storm impacts. See individual districts below for specific activities.

District 1 Summary – District 1 has deployed 6 two-man assistance crews to District 5 in support of ongoing road closure and detour operations. District 1 has also deployed one assistance crew to Chesterfield to assist with repair efforts. All counties in District 1 have returned to normal operations. Crews are prepared to assist other areas as needed.

District 2 Summary – District 2 has deployed 4 assistance crews to District 5 to assist with repair efforts. All District 2 counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 3 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

District 4 Summary – District 4 continues to focus on repairs in Chesterfield County where flood waters have receded. Chesterfield will continue daylight shift operations until infrastructure repairs are complete. Two additional crews from across District 4 are deployed to assist with repairs in Chesterfield.

District 5 Summary – District 5 continues flood mitigation efforts in Georgetown on US 17 & US 521 due to the imminent threat of flooding. Crews are assisting with road closures, detour signing, flood mitigation efforts, and have begun to make repairs to damaged roadways where flood waters have receded. Construction, Signal Shop, and Bridge Inspection personnel are performing damage assessments and assisting with repairs as necessary.

District 6 Summary – All counties are on a normal operating schedule. Crews are prepared to assist other areas as needed.

District 7 Summary – All counties have returned to normal operations. Crews are prepared to assist other areas as needed.

Other Modes of Transportation – All airports are open and operational. All sea ports are open. All inland ports are open with the exception of the southbound rail service from Dillon to Charleston (exports). Amtrak services have resumed through all stations except Denmark, Columbia, and Camden.

855-GO-SCDOT
(855-467-2368)

www.scdot.org

Transit Status

Waccamaw / Coast RTA – Limited operations have resumed away from rising waters and significant closures. Currently maintaining a support role while assisting Horry County EMD.

PDRTA – All transit routes have resumed regular scheduled operations. Coordination efforts have been made with Coast RTA and PDRTA remains on standby to assist in Horry County.

*Transit agencies not listed are currently operating normally.

Customer Service

The SCDOT Customer Service Center (CSC) will be open 24 hours throughout this event.

- Since moving to 24 hour operations, the CSC has answered 39,150 calls related to Hurricane Florence.
- Callers continue to get a live agent within 30 seconds or less.

Motorists are encouraged to use SCDOT's 511 mobile app or to call 511 for current travel conditions. Since moving to 24 hour operations for Hurricane Florence, 511 has received 47,567 calls, 539,231 website visits, and 246,206 mobile app sessions.
