Hurricane Florence Recovery Report

4:00 PM

December 13, 2018

SCDOT Operations Mode: Recovery

Statewide Summary – There are 14 road closures on primary and secondary routes due to damage or flooding throughout the affected area. Please find a current road closure report attached below.

SCDOT is focused on recovery efforts as a result of the damage caused by Hurricane Florence. Crews and contractors continue to make repairs to damaged roadways. Please find a report on the current status of the repair efforts attached below.

The last day for residents in Marion County to bring residential structural debris associated with flooding from Hurricane Florence to the right of way for pickup by SCDOT will be Sunday, Dec. 16th, 2018. The final pass for debris removal in Marion County will begin on December 17th.

In areas affected by flooding, motorists are urged to obey all road closures. Never move or drive around barricades. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!
