

Qualified Product Policy for:  
**Bridge Deck Waterproofing Membrane Type I**  
for use under HMA overlays

A manufacturer may request to be included on the QPL for this material by furnishing the following information to the Contact Person listed below:

1. A certification from the manufacturer that the product meets the Department's standard specification titled "Section 814.2.4 - Bridge Deck Waterproofing." The certification must include actual material test results from a recognized laboratory.
2. A copy of the installation instructions for each product submitted.
