

QUALIFIED PRODUCTS LIST 4

January 4, 2017

SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION

QUALIFIED SOURCES OF COQUINA BASE MATERIALS

The following Coquina sources have been qualified to supply Coquina Shell Base Course in accordance with the Standard Specifications for Coquina Shell Base Course. Yearly testing for source qualification is not a substitute for job control testing. Job control sampling and testing for compliance with material specifications is still required as prescribed in the Standard Specifications and Construction Manual.
