CERTIFIED FIELD WELDERS

LAST NAME	FIRST NAME	PROCESS AND POSITIONS QUALIFIED	THICKNESS QUALIFIED	LAB NO.	CERTIFICATION DATE	COMPANY WORKING FOR	EXPIRATION DATE
-----------	------------	---------------------------------	---------------------	---------	--------------------	---------------------	-----------------

Process and Positions Qualified Notes

S: SMAW
F: FCAW (must have written approval of OMR)
G: GTAW (must have written approval of OMR)
1: Flat fillet and groove
2: Horizontal fillet and groove
3: Vertical fillet and groove
4: Overhead fillet and groove
6: All positions
*** Welder is qualified for FCAW or GTAW only.

Thicknesses Qualified Notes

f (): Thickness range for fillet welds
g (): Thickness range for groove welds
U: Unlimited
