

SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION

Qualified Portland Cement and Non-Steel Slag Manufacturers

The following is a list of Portland Cement Manufacturers who have satisfied the requirements established in the Department's Qualified Products Policy (QPP) 6 for "Portland Cement and Non-Steel Slag Manufacturers." All Trade Names are registered Trademarks of the appropriate company.

Products listed on QPL 6 do not require additional source of production documentation as indicated by the SCDOT Specification "Source of Production of Iron and Steel Products and Construction Materials" to be used on federal projects.

Notes:

- (1) All trade names are registered trademarks of the appropriate company.
- (2) This qualified product list is for general product qualification and does not guarantee performance of a particular shipment.
- (3) All pre-qualified sources (manufactures) must continue to comply with the policy for Portland Cement Inspections. The delivery of cement used in SCDOT projects must be accompanied with a delivery ticket and certification stating the cement is guaranteed to meet SCDOT specifications.

The following source(s) are qualified for use in cement modified base/sub-base (Section 301), RC pipes (QPP 69 and SC-M-714), and pre-cast concrete.
