

QUALIFIED ASPHALT CONTRACTOR PLANT FIELD LABORATORIES

Laboratories named on this list are qualified to test asphalt mix produced from the accompanying asphalt plant. All listed laboratories comply with Qualified Product Policy 76. Laboratories located in other states, other than South Carolina, are noted.

Products listed on QPL 76 do not require additional source of production documentation as indicated by the SCDOT Specification "Source of Production of Iron and Steel Products and Construction Materials" to be used on federal projects.
