

SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION

AUTHORIZED SUPPLIERS OF TYPE IL PORTLAND-LIMESTONE CEMENT

The following is a list of Type IL Portland-Limestone Cement Suppliers who have satisfied the requirements established by the SCDOT as defined by Qualified Product Policy 86. Cement must be from a qualified source listed on SCDOT QPL 6, "Authorized Portland Cement and Non-Steel Slag Manufacturers."

Products listed on QPL 86 do not require additional source of production documentation as indicated by the SCDOT Specification "Source of Production of Iron and Steel Products and Construction Materials" to be used on federal projects.

Sources Qualified for All Applications
