

**SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION  
QUALIFIED PRODUCT POLICY FOR  
QUALIFIED PRODUCT LIST 89  
PRECAST PERMANENT TRAFFIC BARRIER COMPONENTS**

This policy covers precast permanent traffic barrier components within SCDOT rights of way.

**By submitting a request to be listed on QPL89, the manufacturer agrees to produce precast products consistent with the details shown in SCDOT Standard Drawings.**

1. Required Submittals:
  - a. Complete Form QPL89PPTBC (attached)
  - b. PCI, ACPA or NPCA certification for PRECAST PRODUCTS (submit annually)

For additional products qualified for use in temporary applications and within work zones, see the Approved Products List for Traffic Control Devices in Work Zones: (search “traffic control devices” on [scdot.org](http://scdot.org))

For patented and semi-rigid generic barrier systems, see qualified product list 49.

Email questions & requests to be listed on QPL 89 to: [d8designstandards@scdot.org](mailto:d8designstandards@scdot.org)

Or mail submittal to:  
**Design Standards Office (QPL89)**  
**SCDOT**  
**955 Park Street Room 409**  
**Columbia, SC 29201**

Contractors must use products only from manufacturers listed on QPL89. SCDOT prohibits value-engineering these safety features without the written consent of the Engineer of Record.
