# Hurricane Florence Recovery Report

4:00 PM

October 24, 2018

SCDOT Operations Mode: Recovery

Statewide Summary – There are 23 road closures on primary and secondary routes due to damage or flooding throughout the affected area. Please find a current road closure report attached below.

SCDOT is focused on recovery efforts as a result of the damage caused by Hurricane Florence. Crews and contractors continue to make repairs to damaged roadways. Please find a report on the current status of the repair efforts attached below.

SCDOT has authorized the removal of flood debris in Dillon, Georgetown, Horry, Marion, and Marlboro Counties. So far, 7853 cubic yards of flood debris have been removed.

In areas affected by flooding, motorists are urged to obey all road closures. Never move or drive around barricades. Remember: It is NEVER safe to drive or walk into flood waters. Turn around, don't drown!

## Customer Service

The SCDOT Customer Service Center (CSC) is currently operating during normal business hours.
