

US 378 (Myrtle Beach Highway) at SC 527 (Brick Church Road) Intersection Improvements in Sumter County

Public Meeting

Project Overview

The South Carolina Department of Transportation (SCDOT) proposes to improve the intersection of US 378 (Myrtle Beach Highway) and SC 527 (Brick Church Road) in Sumter County. The proposed improvements include creating an unsignalized Reduced Conflict Intersection (RCI) at the current intersection.

Project Purpose

The purpose of this project is to improve safety at the intersection of US 378 and SC 527 through engineering solutions identified to reduce the frequency and severity of crashes. The need for the project was identified through traffic data collection and historic crash reporting. The intersection of US 378 and SC 527 is currently a two-way stop controlled intersection with stop signs. There were a total of 17 crashes reported from 2020 through early 2023 (14 angle crashes, 3 non-collision crashes) at this intersection for an average of 4.3 crashes per year. Over the next 20 years without intersection improvements, safety conditions will worsen during both daytime and nighttime driving conditions as traffic volumes increase. A traffic signal analysis was conducted, however, the proposed RCI will provide a safer design for motorists.

295 Brick Church Road, Mayesville SC 29104
July 11, 2024 from 5:00pm to 7:00pm
Open house format (no formal presentation given)

Purpose of the Public Information Meeting

The SCDOT welcomes you to this public information meeting. We appreciate your attendance and encourage your feedback. The purpose of the meeting is to provide an opportunity for the local community, stakeholders, and interested persons to review and comment on the proposed improvements. Another purpose of the meeting is to gather local knowledge from the public or interested organizations regarding historic or other resources in the area.

Schedule

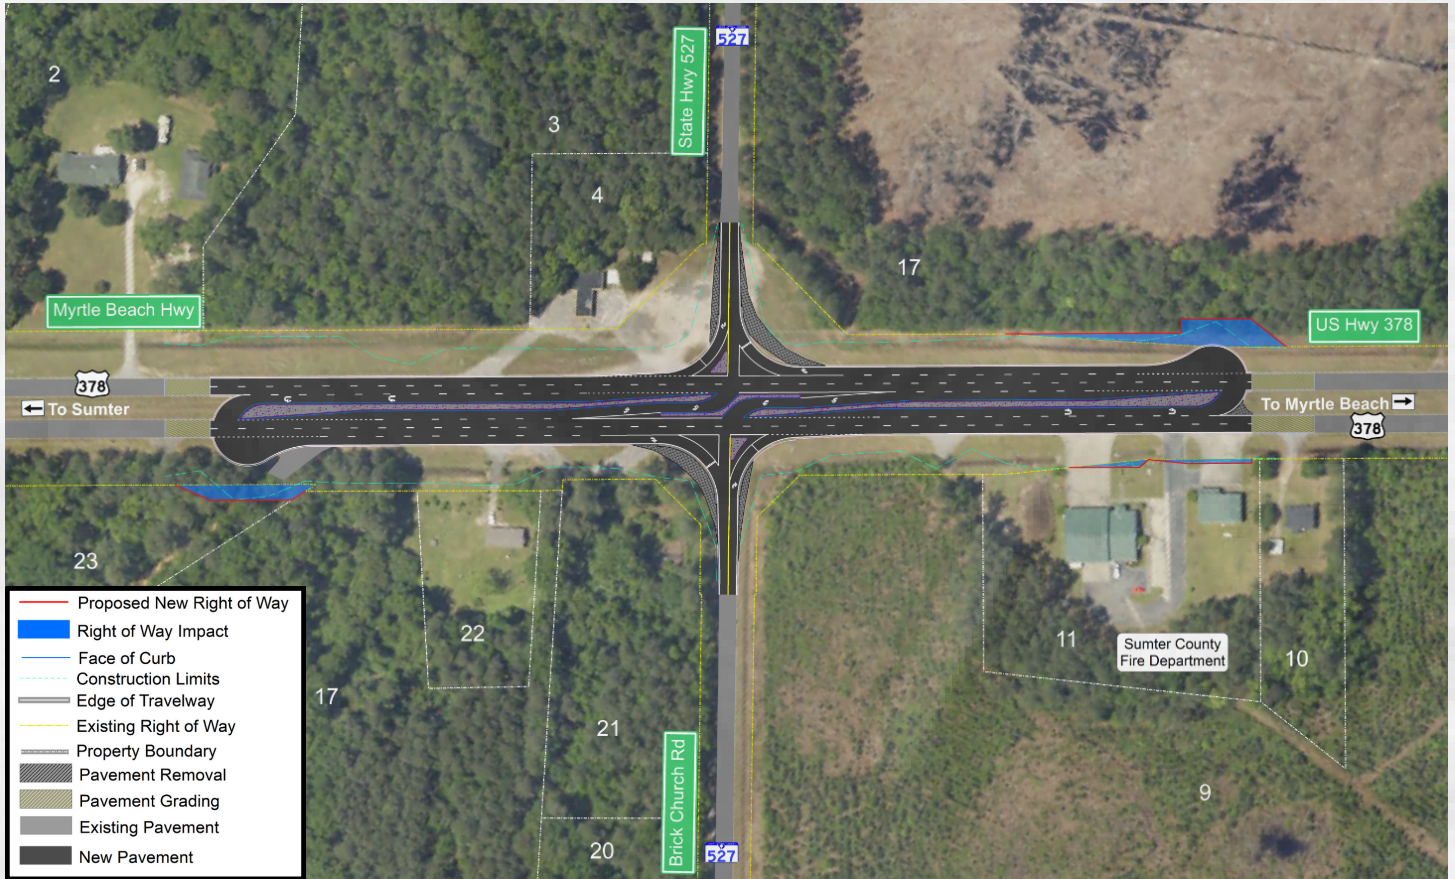

- Late 2024 - Right of Way process begins
- Late 2025 - Construction begins
- Mid 2027 - Construction complete

Funding

- \$2.25 Million - Estimated Construction Cost
- System Upgrade Program (Federal Funds)

US 378 (Myrtle Beach Highway) at SC 527 (Brick Church Road) Intersection Improvements in Sumter County

Proposed Design

SCDOT Welcomes Your Feedback! You may provide comments in the following ways:

Fill out a comment form and deposit it in the comment box at the Public Information Meeting

Mail comments to:
Mr. Keith Riddle, PE
P.O. Box 191
Columbia, SC 29201

Email comments to:

Comments will be accepted from June 27, 2024 until July 26, 2024.

Title VI Compliance

SCDOT complies with all nondiscrimination requirements set forth by the Federal regulations issued by the U.S. Department of Transportation under Title VI of the Civil Rights Act of 1964, as amended. Any person who believes that he or she has been discriminated against because of race, color, religion, sex, age, handicap or disability or national origin under a program receiving Federal Aid has the right to file a complaint with SCDOT. The complaint should be filed with the Title VI Program Compliance Coordinator at the Office of Business Development and Special Programs, 955 Park Street, Suite 117, Columbia, SC 29202 or at (803) 737-5095. The complaint should be submitted no later than 180 days after the date of the alleged act of discrimination. It should outline as completely as possible the facts and circumstances of the incident; and should be signed by the person making the complaint.
