

# S-1315 (Robert M. Grissom Pkwy) Corridor Safety Improvement Project

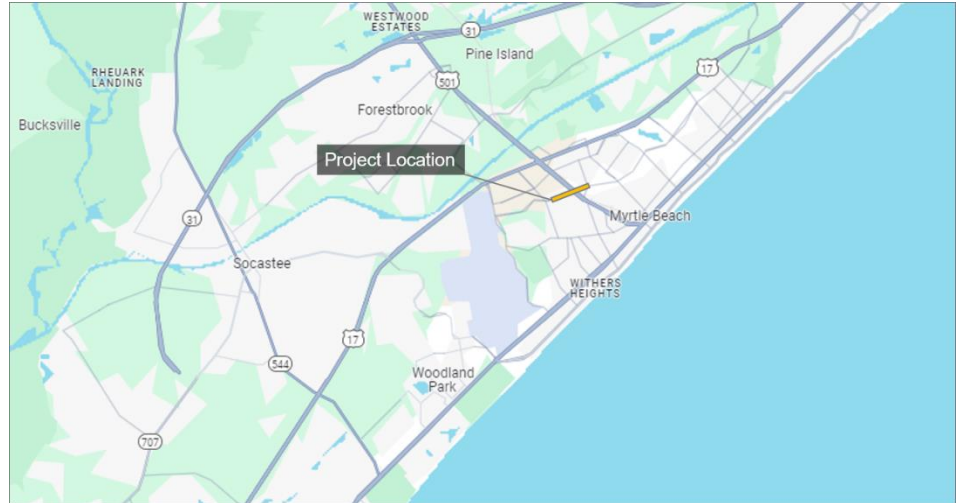

## Horry County

DROP-IN PUBLIC INFORMATION MEETING

### WELCOME

Welcome to the Public Information Meeting hosted by the South Carolina Department of Transportation (SCDOT) for the proposed safety project along S-1315 (Robert M. Grissom Pkwy) in Horry County.

SCDOT staff or their representatives are available to address any questions or concerns that you may have regarding the project. There will not be a formal presentation.

### PROJECT PURPOSE

This corridor was selected for improvement through SCDOT's Pedestrian and Bicycle Safety Action Plan (PBSAP) as a part of the Federal Highway Safety Improvement Program (HSIP).

All HSIP projects require an engineering study and an evaluation of all potential countermeasures to ensure the maximum safety benefit is obtained for the amount of funds invested. Identified safety improvements are now being proposed for implementation.
