► PURPOSE OF THIS PUBLIC INFORMATION MEETING

South Carolina Department of Transportation (SCDOT) welcomes you to this Public Information Meeting. The purpose of the Public Information Meeting is to provide you with an opportunity to review and discuss the proposed improvements.

You are encouraged to review the project display boards and discuss your questions or concerns with SCDOT staff or their representatives at this meeting. Your attendance and comments are very important components of the project development process. You are encouraged to submit written comments on the forms provided by placing them in the comment box.

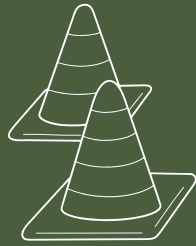

► PROJECT OVERVIEW

SCDOT proposes bridge repair, rehabilitation, and preservation activities for several statewide bridge maintenance projects. The purpose of this project is to reduce the number of load restricted bridges by performing comprehensive and cost effective bridge repairs. These repairs are part of SCDOT's Statewide Closed and Load Restricted Bridge Repair Program. The proposed repairs will improve mobility in the region and extend the service life of the bridges.
