

SC 183 (Walhalla Hwy) over Twelve Mile Creek and Gregory Creek Bridge Replacements

Thursday, November 2, 2023 5:00 - 7:00 pm
Pickens County Maintenance Complex - EMS Training Room

PURPOSE OF THE PUBLIC INFORMATION MEETING

The South Carolina Department of Transportation (SCDOT) welcomes you to this Public Information Meeting. The purpose of this meeting is to provide you with an opportunity to review and comment on the proposed bridge replacement projects. There will not be a formal presentation.

You are encouraged to review the displays and discuss your questions or concerns with SCDOT staff or their representatives at this meeting. Your attendance and comments are very important to the project development process. You are encouraged to submit written comments on the forms provided and place them in the comment box for SCDOT to review.

PROJECT OVERVIEW

SCDOT proposes to replace the existing bridges along SC 183 (Walhalla Hwy) over Twelve Mile Creek and Gregory Creek in Pickens County, South Carolina. The purpose of these projects is to replace the bridges to correct the load restriction placed on it as well as restore all bridge components to good condition. Alternatives have been evaluated and the table below summarizes the impacts. A posted detour route is also proposed for the bridge replacement projects. Refer to the map on the reverse side.
